LOOKS ASSURED

Optimism Is Expressed by Managers of Campaign for New Hospital.

LISTS ARE CIRCULATED

Fact Is Overlooked by Many that Subscriptions May Be Paid One Year from Date.

The second half of the twelve days' campaign for the raising of \$300,000 for the erection of a new Emergency Hospital begins this morning. The first six days have been spent principally in laying plans for the solicitation of subscriptions, and results from this extensive work will begin to make their appear ance from now on until the closing of

ance from now on until the closing of the crusade next Saturday night.

President Woodrow Wilson having placed his stamp of approval upon the project, and having authorized the members of his Cabinet to circulate lists among the employes of their governmental departments. Edgar T. Honey, executive secretary of the campaign, will visit these officials early this morning for the purpose of setting the plans in motion. Mr. Honey has reason to believe that the heads of all the departments will consent to the circulation of the lists. Permission already has been secured to start the lists through the Smithsonian Institution, the Department of the Interior, with all its numerous Smithsonian Institution, the Department of the Interior, with all its numerous branches, the Government Printing Office, the Department of Agriculture, the Bureau of Engraving and Printing, and Bureau and city postoffices. The rule against eating on the grounds of Mount Vernon is sufficient in itself. think, to keep away undestrable person

The river resorts hold more attraction for this class of people on Sunday, 'There is no reason why Mount Vernon should not be opened on Sunday, and there are many why it should. Depart-ment clerks and others employed by the government cannot get there on any other day, while many visitors who come to Washington on Sunday are disappointed because they cannot get inside the gates of Mount Vernon. Ofttimes these people have come a long way and possibly may never again visit the Capi-
